|----------------|

| Exhibit-Only Registration | This form of registration is less expensive than one for the full meeting, and restricts the individual to attending a maximum of 6 meeting presentations. Otherwise, the individual can participate in all the meals and events shown in the program. This type of registration is intended for individuals who are not particularly focused on the presentations and will spend the majority of their time in the exhibit area. |
|--------------------------|

| Full Meeting Registration | A full meeting registration entitles the individual to attend any presentation in all of the programs within the meeting, plus enjoy all of the meals and events shown in the program. |
|---------------------------|

| Technology Workshop | This is a 30 minute time slot in the program within which the presenter can demonstrate products and give a PowerPoint presentation. While there are no restrictions on the content presented, the best received presentations are those that contain solid data, tell a story, and refrain from giving direct comparisons to competing products or services. The workshop presenter must be registered to attend the meeting. |
|--------------------|

| Logo and Company Profile in Meeting App | In the meeting app, we will include a profile on your company that you provide. Please limit the copy to 150 words, and you can include a logo. |
|-----------------------------------------|

| Logo posted with Hyperlink from Meeting Website | We will show your logo on the meeting website with a link which will take the reader to the page on your website that you specify. Please note that you must give us a high-resolution logo (320 dpi or greater in a JPEG, TIF, GIF, PNG, or EPS file format). |
|-----------------------------------------------|

SPONSORSHIP: If you have to cancel your sponsorship for any reason, please notify us in writing as quickly as you can. Then if we can resell your exhibit space or workshop time slot (if applicable), we’ll refund the retail value of these items less a $100 cancellation fee and any applicable discounts that were given. This refund amount also applies to the Exhibit-Only registration that comes with your exhibit. The remaining balance of your sponsorship fee is not refundable since we cannot determine the promotional value of having your logo on our website and conference promotional materials, as well as ads we may have placed on your behalf.

However, if you’ve paid registration fees for additional personnel to attend the meeting, including exhibit-only attendees, then the registration cancellation policy applies for these attendees. Refunds will not be processed until after the meeting has been completed.
